REACH compliance – Pre-registration

Dear customer,

We are pleased to inform you that NOVACID pre-registered its products with the European Chemical Agency.

Hereafter the pre-registration numbers assigned to Novacid:

Product	Pre-registration number
	Reference number
Calcium chloride	05-2114682854-34-0000
Hydrochloric acid	05-2114660948-31-0000
Nitric acid	05-2114682900-45-0000

Thanks to our pre-registration we guarantee the unrestricted trade of our products during the transition period of two years. We also take a first important step towards the final registration of our products under the REACH legislation.

In order to move into the new phase of preparing Chemical Safety Assessment (CSA) and Report (CSR) we encourage you to have a look at the guidance document for "Uses and processes or environment on the ECHA website :

A first view on how to read:
